BRIEF ABSTRACT OF LETTER.

Forwards copy of his letter no 2335/ dated 545-7 of 7/10/10 intimating that separate pay bills should be prepared for the Dist. Excise establishments of the Dy Comrs and the Dist. Excise Officers.

NOTES AND ORDERS.

Till the appointment of a Dist. Excise Officer to every one of the districts there were separate establishments under the Dy Comrs & the Dist. Excise Officers for excise work. Since 1907 the whole

establishment under these Depts have been readjusted and placed under the orders of the Dists Excise Officers who are only responsible to the Dy Comrs in the Excise Dept in the same way as the Dy Comrs & Dists Police to Dists Police. There is no separate establishment working under the Dy Comrs. But the old system of making 2 separate pay bills & such separate provisions in the Budget still continues. It is better that provisions are combined under a single head & a single pay bill is prepared for each Dists Office. The Excise Comr may be asked what action he has taken in this direction. The Comptroller could not however, concede to my request and stated in reply in his No.2335/T A.D.I. 545-7 dated 7th October 1910, that as the amalgamation had not been sanctioned by Govern-ment the practice of drawing pay on separate bills should con-tinue. I therefore request that ne cy orders may be pas-sed by Government in the matter and c icated to me

In this connection, I beg to invite the attention of Government to my proposal regarding the revision of the establish-ments of the District Excise Offices which is pending with them and to request that in view of the heavy and responsible nature of work that is growing day by day in the District Excise Offices the Government may be pleased to accord early sanction to the same.
